2024 OKANAGAN INTERCLUB

PHOTO SHOWCASE ORDER FORM

Nov 22-24, 2024

PROVIDED BY ERIN NORDICK PHOTOGRAPHY

I am honoured to be asked for the second year in a row to be your official photographer of the annual Okanagan Interclub. This year's event is hosted by the Valleyview Skating Club and I am excited to be a part of the action. As some of you may remember from last year, the ordering process of photos looks a little different than what other photographers may have offered at past events. I want you to have fantastic photos, with fantastic quality delivered to you via a personalized online gallery roughly within 3-4 weeks of the event. It is a flat rate of \$30 plus gst, this will give each skater multiple images from each category they skate in. It is nonrefundable. If you ordered a gallery from last year and never downloaded it, I still have them on file and would be happy to resend the gallery to you at an additional rate of \$5 (as it will take some time to gather and remake those galleries). All galleries will stay active for 3 months after they have been delivered to you. After which they will be archived. So please make sure you download your gallery in timely manner. Pre orders are encouraged but not necessary, I will have a table set up by the registration desk. I will be taking photos of every single skater in every category, but only those that have paid will receive an online edited gallery with all the images. The other skaters will sit in an archived file but you still have the option to order after the event.
