

OKANAGAN REGIONALS PARKING

Memorial Arena is part of the South Okanagan Events Centre complex and shares parking with the SOEC facility, Okanagan Hockey Training Centre, Curling Club and Casino on the south side, as well the Community Centre, Convention Centre and Cleland Theatre on the north side. The weekend of our competition there is a Vees hockey game at SOEC on Friday night at 7 pm and then Monster Trucks at SOEC Saturday evening, Sunday afternoon and Sunday evening.

Paid parking (\$20) will be in effect during the Monster Trucks in the SOEC parking lot. The paid parking will be in effect Saturday from approximately 3:30 pm onwards and Sunday from approximately 10 am onwards. You do not need to pay if you arrive prior to the paid parking being in effect. There is no charge for parking in the Community Centre parking lot but expect this lot to fill quickly. Please plan ahead and give yourself extra time for parking. **Skaters can be dropped off and picked up – just notify the parking attendants that you are dropping off or picking up for Memorial Arena.**

If you are planning to stay at the Fairfield Inn, or any of the other nearby hotels, walking from there may be the closest parking if you need to arrive during the event times! If parking on the street, please be respectful of residents and do not block driveways.

**Note: The SOEC parking attendants are volunteers doing fundraising for their own kids' teams and clubs. Please be patient and polite!

Please see facility map below. The red areas are all parking, with the free community centre parking lot highlighted. Memorial arena is indicated with the star.
