Dates:	November 10 – 13, 2011
Location:	Capital News Centre
Hosted By:	Kelowna Skating Club
Sanctioned By:	Skate Canada
Deadline for Entries:	September 28, 2011

PURPOSE OF SECTIONALS

Sectionals identify the top skaters in each province (Ontario having four Sections) for advancement to the next round of qualifying events ultimately leading to the Canadian Figure Skating Championships. Sectionals is a skater's first exposure to competitive stream competition, and are to be organized from a technical perspective as closely as possible to the Canadian Championships in terms of rules and competitive experience.

Each Sectionals event is the property of Skate Canada, and may be sponsored locally in accordance with Skate Canada Marketing Guidelines. The planning and execution of each Sectional Championship is delegated to the Section and/or its host committee with support from Skate Canada nationally, and the event is under the technical supervision of a technical representative assigned by the section. Skate Canada provides each section with an orientation kit outlining the responsibilities of the event and event guidelines. Skate Canada provides templates for all Sectionals event promotional materials to insure consistency nationally.

Sectionals allow the section to feature their talented skaters, train officials and volunteers, recognize sponsors, and provide entertaining skating for audiences at the provincial level.

In accordance with Skate Canada rules, all Sectional events must be completed no later than the first Sunday following November 30 of the current skating year.

GENERAL INFORMATION

The 2012 Skate Canada BC/YT Sectionals will be conducted in accordance with the Skate Canada Qualifying Competition Handbook and the CPC Regulations for specific rules governing qualifying events and events run in the CPC System. Discipline specific pre-event technical packages, ISU Communications and clarifications should also be referred to in preparation for the upcoming season.

Rules governing Sectional championships also apply to any sub-sectional or other sectional elimination rounds unless otherwise stated in this announcement.

If there are four or fewer entries (eight or fewer in Quebec) in any Sectional competition, the Section may elect to cancel the competition and may approve the entry of the relevant competitors to the Skate Canada Challenge competition of the same category (if applicable).
