GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles and interpretive.
2. All categories (except Star 1, 2 & 3): Should entries in an event be exceedingly large, the event will be divided into smaller groups according to age. Each group will be considered a final.
3. If an event has only one competitor, the skater will be informed and have the option of skating up an event, skating for an evaluation only, or withdrawing with a refund. Competitors may skate up one category higher than they are qualified.
4. MARKING: The CPC Scoring system will be used for all events. STAR 1-3 categories are assessed and skaters will receive a ribbon and a report card corresponding to their achievement.
5. REGISTRATION: Skaters must register at least one hour before their event is scheduled to start.
6. WARM UP TIMES:

STAR 2	3 minutes
STAR 3 to Senior Bronze	4 minutes
Junior Silver to Gold Free Skate, Pre-Juvenile	5 minutes

12. Protest Policy: Skate Canada Protest Policy for competitions using CPC will be followed. RULE 7301 (6) (4). In addition, if there is an event using manual calculation where the results are not posted within one hour of the completion of the last event of the day, the protest must be made to the Event Referee within the first hour of the following day's competition. If the Event Referee is unavailable, the protest may be made to the Technical Representative or Chief Referee.

13. Tests at Competitions:

Until the Coast Registry comes on line, please continue as per last season's competitions and submit test requests directly to the host club. This season, if there is time there will be a "low/intermediate" test day on the Friday before the events start. The cut-off date for the test requests is the cut-off date for the competition. Please email the test request to the Competition Registrar.

The higher tests will remain the same and be tested during the competition and as per the CNCR Test at Competitions Policy this includes all Interpretive. Skaters must be registered to compete in the same event they are testing in. The exception is skaters competing in a competitive category who may also apply for Junior Silver, Senior Silver or Gold Free Skate. In this case, the skater must pay for both Part 1 and Part 2. If the test is passed, they will be credited with the complete test. The cut-off date for the test requests is the cut-off date for the competition.
