GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles, pairs, dance and interpretive.
2. Should entries in a category be exceedingly large, the event will be divided into smaller groups which will be determined by random draw. Each group will be considered a final and the highest total score from all competitors in the event will determine the winner. STAR 2 & 3 groups will be divided according to age. Interpretive events will be divided by free skate test level first and then if further grouping is required, by age.
3. If an event has only one competitor, the skater will be informed and have the option of skating up an event, skating for an evaluation only, or withdrawing with a refund. When skating for an evaluation, feedback may be in the form of judges' comments only, if a technical panel is not available to assess technical content. Competitors may skate up one category higher than they are qualified.
4. **MARKING:** The CPC Scoring system will be used for all events with the exception of Special O. STAR 2 & 3 categories are assessed and skaters will receive a ribbon and a report card corresponding to their achievement.

5. **REGISTRATION:**
Skaters must register at least one hour before their event is scheduled to start.
