Starting orders will be posted a minimum of 24 hours prior to the start of the competition.

GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles, pairs, dance and interpretive. (*Pre-Novice Pairs may enter both short and free; Solo Dance may enter Pattern and Short Dance - these events are listed separately)
2. Should entries in a category be exceedingly large, the event will be divided into smaller groups which will be determined by random draw. Each group will be considered a final and the highest total score from all competitors in the event will determine the winner. STAR groups will be divided according to age. Interpretive events will be divided by free skate test level first and then if further grouping is required, by age.
3. If an event has only one competitor, the skater will be informed and have the option of skating up an event, skating for an evaluation only, or withdrawing with a refund. When skating for an evaluation, feedback may be in the form of judges' comments only, if a technical panel is not available to assess technical content. Competitors may skate up one category higher than they

are qualified.

4. **MARKING:** The CPC Scoring system will be used for all events with the exception of STAR 1, 2, 3A & 3B. These categories are assessed. Skaters in STAR 1, 2 & 3A will receive a ribbon and a report card corresponding to their achievement. STAR 3B skaters will be ranked and skaters placing 1st, 2nd and 3rd will receive medals. All skaters in STAR 3B will receive a report card showing individual element assessments.

5. **REGISTRATION:**
Skaters must register at least one hour before their event is scheduled to start.

6. **WARM UP TIMES:**

STAR 2	3 minutes
STAR 3 to Senior Bronze	4 minutes
Junior Silver to Gold Free Skate	5 minutes
Pre-Juvenile	5 minutes
Juvenile to Senior Competitive	6 minutes
Interpretive	4 minutes

Dance events will be conducted in accordance with Skate Canada regulations.

* At the discretion of the Referee, the warm up periods may be reduced to a minimum of 3 minutes. All warm-up periods for one event must be equal.

7. **MUSIC REQUIREMENTS:**

- Only CD's will be accepted. Only one program shall be recorded on each CD.
- The start of the music shall be recorded on the CD with less than two seconds of lead in.
- Competitor's name followed by music time (not skating time) shall be clearly printed on one side of the CD.
- Each CD shall be enclosed in its plastic container, also marked with the skater's name, home club, event and total music time.
- Competitors must hand in their music at the registration desk at least one hour prior to the start of their event. The Organizing Committee will accept no responsibility against damage but will take every precaution to safeguard each CD.
- **A backup CD is a requirement of each competitor and should be at rinkside during the skater's performance.**
- **STAR 2 and STAR 3 skaters using Section music selections must provide the music on their own CD to be handed in at Registration.**

8. **COACHES:** It is mandatory for all participating coaches to register at competitions and show their accreditation at all times during the competition in order to be at ice level during the events. Temporary accreditation will be issued for \$25.00 by showing current Skate Canada membership and First Aid information.

9. **ADMISSION** will be free to all.

10. **AWARDS:** A notice will be posted in the arena with information regarding the time and location of medal presentations.

11. Persons wishing to take photographs of on ice performances are reminded that use of flash cameras is forbidden. The use of video cameras must be restricted to areas that do not hamper the skaters or officials. **PLEASE NOTE:** you may only take pictures or videos of your own skater.
12. Protest Policy: Skate Canada Protest Policy for competitions using CPC will be followed. RULE 7301 (6) (4). In addition, if there is an event using manual calculation where the results are not posted within one hour of the completion of the last event of the day, the protest must be made to the Event Referee within the first hour of the following day's competition. If the Event Referee is unavailable, the protest may be made to the Technical Representative or Chief Referee.
