ADDITIONAL LOC EVENTS

***Please note that the categories have changed from those offered in previous years**

CREATIVE

In the Creative events skaters will skate a creative, improvisational program. Music which is appropriate for each event group will be selected by an Okanagan Region board designated person. Costuming for this event is to be simple and of a neutral color so as not to detract from either music theme or body line. Judging for the events will have an emphasis on the variety of creative movement to the music and will not be solely reliant on the level of skating ability of the skater nor the difficulty of skating elements performed. This event is offered as a developmental tool to assist skaters of all levels in improving their artistic skating and improving their Program Component scores.

The skaters will hear their group's music selection once for the first time in their dressing room prior to warm-up. On-ice warm up will be one minute without music followed by the music selection being played twice. Any time remaining in the warm up will be without music. Total warm-up time will be 4 minutes. After the warm-up the skaters will go back to the dressing room. Skaters will not be allowed to discuss the content of their program with their coach or parent. Groups will be small enough that all skaters can warm-up together so as not to disadvantage earlier skaters.

Open to ladies and men who will compete together.
