Online Registration Instructions

CNCR has an online registration system with the company Karelo.com. All registrations must be completed using this online system. <u>Click here</u> to register.

NEW: The registration system will generate an automatic email to the skater's coach. Coaches are encouraged to check the confirmation email to ensure their skater(s) is registered in the correct event.

Using Karelo for the first time:

The first time you use Karelo.com to register for an event, you will be asked to choose a log in name & a password, and to enter your contact information. When entering contact information, please use the skater's name and not the parent's name. Skate Canada Number must be entered as per your Skate Canada Card (i.e. 10 digits including all zeros). This is a very short and simple step that will enable you to avoid the hassle of re-entering your information for each event registration! Your contact information is never shared with third parties. Please review Karelo's 'Privacy Policy' for more details.

Entering your registration:

<u>If you have never used Karelo.com before</u>, go to '<u>I am new to Karelo.com</u>' and select a login name and a password; enter your contact information. Then follow these steps:

- 1. Log in. Select the event that you want to register for from the Event list.
- 2. Enter your registration information. Enter your credit card information (Visa or MasterCard). This is a secure transaction. Your credit card is charged immediately.
- 3. You are registered! Check your email for the confirmation email with your registration details.

IMPORTANT: If you and your coach DO NOT receive an email confirmation from Karelo.com or receive a confirmation number, then you are NOT REGISTERED for the competition. Please contact the Sandra Lenuik if this occurs.
