Starting orders will be posted a minimum of 24 hours prior to the start of the competition.

### GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles and interpretive. (\*Pairs, Dance and Junior /Senior Singles may enter both short and free; Solo Dance may enter Pattern and Short Dance - these events are listed separately).
2. Should entries in a category be exceedingly large, the event will be divided into smaller groups which will be determined by random draw. Each group will be considered a final. STAR groups will be divided according to age. Interpretive events will be divided by free skate test level first and then if further grouping is required, by age.
3. If an event has only one competitor, the skater will be informed and have the option of skating up an event, skating for an evaluation only, or withdrawing with a refund. When skating for an evaluation, if a technical panel is not available to assess technical content, feedback may be in the form of judges' comments only. Competitors may skate up one category higher than they are qualified.
4. **MARKING:** STAR 1,2, 3 & 4 and Pre-Introductory & Introductory Interpretive categories are assessed. Skaters in STAR 1, 2 & 3 & the two Interpretive categories will receive a ribbon and a report card corresponding to their achievement. STAR 4 skaters will be ranked and skaters placing 1st, 2nd and 3rd will receive medals. All skaters in STAR 4 will receive a report card showing individual element assessments. All other categories will be marked using the CPC Scoring system.

Skaters must register at least one hour before their event is scheduled to start.
6. **WARM UP TIMES:**
