GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles, pairs, and dance.
If short and free programs are listed as separate events, then one short and one free program category may be entered. Pre-Juvenile and Juvenile skaters may enter a STAR short program category in addition to the competitive free program. Depending on scheduling, skaters should be prepared to skate two programs on the same day. Skaters choosing to enter more than one event including supplementary STAR events do so with the understanding that there may be scheduling conflicts that are unable to be resolved.
2. All categories: Should entries in an event be exceedingly large, the event will be divided into smaller groups. Each group will be considered a final. STAR groups will be divided by age.

3. Should there be only one entry in any event, the competitor may skate for an evaluation*, skate up one level, or withdraw and the entry fee will be refunded. If there is a last minute withdrawal in an event that had only 2 entries, the same options apply for the remaining skater. *Skating for an evaluation is only applicable to competitive categories and STAR/STARSkate Free Skating categories. If a technical panel is not available, the evaluation will be for Program Components only.
4. MARKING: Please see the STAR Technical Package on the Section website for the marking criteria for each of the STAR and Supplementary Event categories. Note that the lower levels are all assessed with ribbons awarded. Competitive categories are all marked in CPC.
5. REGISTRATION: Skaters must register at least one hour before their event is scheduled to start.
6. WARM UP TIMES:

STAR 2	3 minutes
STAR 3 -5	4 minutes
Pre Juvenile, STAR 6 to Gold Free Skate	5 minutes
Juvenile	6 minutes
