Dear Parents,

Skate Canada BC is excited to announce a new personalized component to our competition programs! You now have the chance to send words of good luck and support to your favorite skater, coach or club in our program. You can also submit a picture of your skater or a group of skaters with a few words.

This is a great way for grandparents or loved ones that cannot be at the competition to show their support. Make sure you don't miss out on this unique opportunity to cheer on your favorite skater!

In order for your personalized greeting to be included in the program for the Summer Skate competition, your form must be submitted by August 7<sup>th</sup> 2012.
