

Super Series

Video ORDER FORM

Video Order Information
 Orders placed before the start of your event may be ready for pick up approx. 2 hours following the conclusion of your event.
 (*Pick up times may vary depending on number of orders being processed please check with the registration desk for status.)

*Please note that all USB videos are formatted to be compatible with most Mac and PC computers as well as both iOS and Android Devices using an H.264 MP4 Codec. When possible, footage from the Kiss n' Cry area will be included in the video. Due to the nature of digital media we are able to produce a much higher quality video image (Hi-Def) on USB memory sticks than the standard definition (low-res) DVDs. **All orders include a Super Series 8GB Memory Stick.** For security purposes we are unable to accept personal USB memory sticks.*
